Re: FOIA Request NLRB-2023-000216

Dear Jessica Laycock (Colliers International):

This is in response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received on October 27, 2022, in which you seek “information for all union elections tallied and closed on or after July 26, 2022, to date,” specifying the following data fields:

- Case number
- Case name (i.e., employer name)
- Employer’s address, city, state and zip code
- Union name
- Date filed
- Date held
- Date closed
- Tally Issue Date
- Number of eligible voters
- Valid votes counted
- Valid votes cast against the union
- Valid votes cast for the union
- Dispute city
- Dispute state
- Participant city
- Participant state
- Participant zip
- Election location address
- Election location city
- Election location state
- Election location zip code

You assumed financial responsibility “for all costs associated with fulfilling” your request.

We acknowledged your request on October 27, 2022.

A search of the Agency’s electronic casehandling system, NxGen, was conducted, and the search produced the attached Excel spreadsheet for RC, RD, RM, and UD representation cases that closed between July 26, 2022, and November 15, 2022. Please note that the search queries pulled a few additional fields pertaining to the election data and have been included in the spreadsheet, as they more accurately identify final union certification results and instances where there were multiple tally and/or multiple union results.

In addition, because the search queries returned certain data reflecting personally identifying information (PII) where the petitioner was an individual in the case. I have determined that this PII, which includes the addresses of individual parties, should be withheld to protect the privacy interests of these individuals. Specifically, any individuals' addresses have been removed from the spreadsheet and are withheld pursuant to FOIA Exemption 6, which pertains to information the release of which would constitute a clearly unwarranted invasion of personal privacy, and FOIA Exemption 7(C), which pertains to records or information compiled for law enforcement purposes, the release of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. 5 U.S.C. § 552(b)(6) and (b)(7)(C).

For the purpose of assessing fees, we have placed you in Category A, commercial use requester. This category refers to requests "from or on behalf of a person who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made, which can include furthering those interests through litigation." NLRB Rules and Regulations, 29 C.F.R. § 102.117(d)(1)(v). Consistent with this fee category, you "will be assessed charges to recover the full direct costs of searching for, reviewing for release, and duplicating the records sought." 29 C.F.R. § 102.117(d)(2)(ii)(A). Charges are \$9.25 per quarter-hour of professional time. 29 C.F.R. § 102.117(d)(2)(i).

Two hours of professional time was expended in searching for and reviewing for release the requested material. Accordingly, please remit \$74.00.
